

"Milt can find it for you!" says Jenna.

"Who is this Milt?" asks Father, "and how could he find it?"

"Well, uh...he is a talking musky," says Jenna.

"I caught him when we were fishing, but when I saw that he could talk and sing, I let him go," says Justin.

"We will go ask him if he can find your bracelet, Mother," says Jenna. "He will bring it to us."
